We are still waiting for building approval and permits from the city. We will keep you informed.

Lubbock Christian University and Amarillo College signed an articulation agreement on April 25<sup>th</sup> to make the transfer of students and credits from AC to LCU much easier (top row).

At the AC honors convocation ceremony last Sunday, Thaw Htoo was named our 2022 outstanding graduate student in religion. His mother is pictured with him (bottom row).

Due to upcoming construction, please send future correspondence and contributions to:

Amarillo Bible Chair
