Director's Report

by Mural Worthey

The Spring semester is underway at Amarillo College. I have 19 students signed up for the study of the Old Testament and 25 students in philosophy. All of the classes for the Spring and Summer sessions are listed to the right.

On Wednesday, January 14, the Bible Chair hosted the retirement party for our Dean of the Liberal Arts Department. Becky Easton completed 25 years, 2001-2026, working as the Chair of the English Department and Dean over the Liberal Arts Department. She was always an encouragement to the Bible Chair and a friend to all of us who serve at Amarillo College. Around 170 gathered to celebrate and congratulate Becky's achievements.

In each newsletter, we keep our supporting churches and individuals informed concerning the financial state of the Bible Chair. The report for this month included the final two months for 2025. However, for 2026, we will lose \$500 per month. This amounts to \$6000 for the year. I will begin looking for other supporting congregations to make up this loss. If your church can increase what you are giving, this will help us to continue in our work. The Bible Chair does not owe a mortgage on the new building and I am the only full-time employee along with a part-time secretary. This is my ninth year at the Bible Chair and Becky Hugg's 29th year. We appreciate all of our supporting churches and your dedication to this mission.
