Director's Report

by Mural Worthey

We are completing our Spring 2 session at Amarillo College; next week are final exams. I have 21 students in "The Life of Christ" and 21 in philosophy. One of my students in philosophy is from the African country of Congo. He makes interesting comments in class and always asks thoughtful questions.

In a few weeks we will begin our summer session. I will be presenting a study of Revelation; so far 12 students have signed up for the study. On June 1st, I will answer questions on Revelation for our adult classes at Bell Avenue. There is always good interest in the study of John's Revelation.

I was scheduled to speak at Clovis, New Mexico on Sunday, April 6, but due to winter weather, I was not able to go. We have set a new date for July 20. I will be filling in for their preacher, Michael Harmon, so he can visit family.

We recently hosted our quarterly meeting of preachers, elders, and deacons from Bell Avenue church of Christ at the Bible Chair. During our meeting, I had some time to present an update of our work with students at Amarillo College. This summer marks two years since we moved into our new building.

The pictures above were taken during our Tuesday fellowship meal. We invite students who are taking Bible classes and their friends to be a part of Kappa Chi club on campus. This is an important time for us to get to know one another outside of classes. Good discussions occur while we are eating. Often students will ask biblical questions.

Recently, one of our students lost his mother on her 62nd birthday. We all signed sympathy cards for him and his family. In addition to giving thanks for our food, we often pray for students who are facing difficulties in life. Several of our students are veterans; some are not typical college-age. We are conscious of what others are dealing with in their lives. The Bible Chair is a good place for us to share personal issues and pray for one another. Students who have faith in God appreciate this place of refuge.

Students appreciate the fact that we care about what is happening to them. We visit them while they are in the hospital. We attend funeral services to honor their loved ones. We celebrate the birth of their children. In the coming months, we plan to use our new facility to host a retirement party for the dean over our department. She has been supportive of the Bible Chair and our role at AC.
