## Director's Report

by Mural Worthey

### Who is the Real Jesus?

(The following was written by a student in our Spring "Life of Christ" class)

*The majority of people around the world have heard of a famous man named Jesus, but many don't truly know who Jesus is. There have been many theories created over these last 2000 years or so as to who Jesus really is. Was He actually alive and can it be proven? Was He just a man? Just a prophet? Was he the true Son of God? Did He actually perform miracles? However, there is only one true Jesus and if you truly seek Him with all of your heart, you can and will find Him.*

*Jesus was born in Bethlehem to the virgin Mary and Joseph around the year 4 BC. He grew up like a normal Jewish boy in Nazareth. He began teaching at around 30 years old and He would gain a great following that would grow exponentially for thousands of years to come; the Kingdom in which we must seek first (Matthew 6:33). After publicly ministering for about 3 years, He was crucified on a cross, lying dead in a tomb, but rising from the dead 3 days later. He then entrusted His disciples and all of His followers to share His Word with the whole world, promising that He would return one day for His Church.*

*We are all in desperate need of our Savior, Jesus Christ. If we seek, we will find; if we knock, He will open. We all have the ability to have a personal relationship with Jesus and know who He truly is. We must lose our life to find Jesus; growing in relationship with Him through reading the Word and praying fervently. That is the only way to know who Jesus is.*

*Overall, Jesus was the sacrificial Lamb for mankind. Jesus did what only He could do. He lived a perfect, sinless life so that we may have everlasting life with the Father. Jesus was the only One that could tear the veil, the only One who could save us, even if it meant crucifixion on the cross. Although the Messiah wasn't what many expected or even hoped for, the real Jesus is far greater than anybody could have ever imagined.*

written by Avery Wilkins, AC student, Spring 2, 2024

One part of our study in the Life of Christ was to note that over the centuries, religious people have imagined and preached another Jesus different from the One the apostles presented.

(2 Corinthians 11:4.) I thought this essay about the real Jesus was well-written and wanted you to be able to read it as well.

Beginning on June 6, I will be presenting an audit class on "Backgrounds for Revelation." We have 42 AC students and adults from the community signed up for the class. I look forward to this study. We plan to record the sessions and post them on YouTube for others to view. Also, during June and July, I will be teaching a summer class for credit for AC students in philosophy. Twenty-eight have enrolled for this class.

Norma and I have just returned from Mississippi. My youngest sister passed away due to cancer. She was only 60 years old. Among our siblings, the oldest and the youngest have now died. I understand more Paul calling death an enemy, for such it is.
